D **G** **D**
I just need a good leaving alone

I don't want you to worry or werritt for me
Cuz things aren't as bad as they look
And I don't need your sympathy or TLC
I'm not in deep trouble dire straights or dead schtuck
You tell me you know every feeling and fear
Well I can't have been making my meaning quite clear
If you knew how I felt then you wouldn't be here

I know that you think that you're helping me out
I'm sorry to tell you you're wrong
Though sometimes I'm troubled and burdened with doubt
I can tell you inside I'm still strong
I don't want you to think that I'm losing the plot
I don't want you to think that I don't give a jot
But let's not lose sight of which of us needs what

last time....

I just need a good leaving
Some time for deep breathing
Some space for just seething
Some silence for healing
Just need a good leaving alone
